Dear Client,

I am writing to sincerely apologize for the miss-understanding about audio -video features requirements. As an IT student and Fullstack developer, I strive for professionalism, and I understand that this situation has caused inconvenience. Please know that I am working diligently to address the matter and ensure it does not happen again.

If there is anything else I can do to rectify the situation, please feel free to let me know.

Thank you for your understanding and patience.

Sincerely,  
Vishal Sohaiya

(Backend developer)
