Draft To: villssohalia25@gmail.com

Dear Biden,

I hope you are doing well. I would like to inquire about the current status of the Student Management System. As an IT student involved in this Fullstack development project, I am keen to understand any updates or progress made so far.

Could you please provide a brief update or let me know if any additional support is required from my side?

Thank you for your time and attention.

Best regards,

Vishal Sohaliya

(Backend developer)
